

PLEASE FIND BELOW A LIST OF ALL EMBRO PLAYERS PARTICIPATING and BILLET/BUDDY MATCH UPS

As you scroll through the document you will find Embro Teams/Age groups and Embro players MATCHED with an Ohio player. Some buddies and billets are doubled up due to numbers. It is helpful to connect with your family ahead of the weekend and introduce yourselves if possible. If you continue to scroll through the document you will see teams (red, black, silver, white and gold). Embro and Ohio have worked together to create these teams. Please know these teams can be/ most likely will be subject to change and players could be moved around and play on either side (Embro or Ohio). It is all about fun and playing hockey and getting lots of play time in :)
